

This is an End User License Agreement ("EULA") between you ("End User" or "you") and MA-MA Type ("MA-MA Type"). This EULA governs your access to, or use of, MA-MA Type's fonts and related software and materials ("Font Software"). By downloading or installing MA-MA Type Font Software, you automatically agree to the terms and conditions of this EULA.

Copyright

The Font Software is the exclusive property of MA-MA Type. The Font Software and its design are protected by copyright and intellectual property law of France and by the copyright and design laws of other nations.

General license terms

MA-MA Type grants you a non-exclusive and non-transferrable license to use the Font Software under the terms and conditions specified by this EULA.

Each Font Software may include additional terms or conditions that you are required to accept before downloading or installing, and those terms or conditions are incorporated into this EULA. MA-MA Type reserves the right to decline to license Font Software to any party at her sole discretion. All licenses granted by MA-MA Type under this EULA are personal, worldwide, royalty free, nonassignable, non sublicensable, revocable and nonexclusive.

Except as provided in this EULA, you cannot, under any circumstances:

- distribute, sell or lend the Font Software;
- give access to, transfer or distribute any part of any Font Software to any third-party;
- convert or change the format of the original Font Software;
- modify any part of any Font Software;
- use the Font Software to create a derivative or modified product or design;
- use the Font Software in any way not expressly permitted in this EULA.

For the exclusive purpose of data backup, additional copies of the Font Software can be made. Backup copies are protected by the same EULA.

Ownership

The Font Software is subject to trademark, service mark, trade dress, copyright or other intellectual property rights held by MA-MA Type. No right, title or interest in any Font Software is transferred to you as a result of this EULA. This agreement only provides you the rights to use the Font Software.

License types

The Font Software can be installed on a limited number of computers which varies according to the size of the user. The size of the user depends on the number of workstations in the user's workplace.

- 1 user

This license is for a single user only. A single user is allowed to install the Font Software on one (1) portable device such as a laptop, and one (1) desktop device remaining at a single location.

- 2-5 users
This license authorizes the installation of the Font Software on up to 5 (five) computers in the same workplace.
- 6-10 users
This license authorizes the installation of the Font Software on up to 10 (ten) computers in the same workplace.
- 11-50 users
This license authorizes the installation of the Font Software on up to 50 (fifty) computers in the same workplace.

Beyond 50 users, please contact us for a special licensing agreement tailored to your needs.

Third-party use

You may provide the Font Software to your collaborators, such as a graphic designer or printer that is working on your behalf, only if they agree to use the Font Software exclusively for your work and retain no copies of the Font Software on completion of the work.

Types of use

The license authorizes the following exploitations of the Font Software:

- print;
- web;
- mobile apps;
- electronic publications.

Our fonts are delivered in the following formats:

- OpenType (.otf);
- Web Open Font Format (.woff);
- Web Open Font Format 2 (.woff2);
- Embedded OpenType (.eot).

Embedding

When purchasing any Font Software, you get the right to embed it on an unlimited number of websites, mobile apps or electronic publications, under the following conditions:

- the workstation used to design a website, a mobile app or an electronic publication is covered by a valid license;
- the webfonts may only be installed on website domains that are under the direct control of the licensee. If not, it shall be counted as an additional user;
- the Font Software shall be only embedded in a secure read-only mode.
- only the provided webfonts may be used in websites;
- only the provided OpenType files (.otf) may be used in mobile apps and electronic publications.

Liability

The Font Software cannot be returned due to its digital nature. If the product is defective please contact us for support within thirty (30) days after the date of purchase with a proof of transaction.

The Font Software is provided by MA-MA Type without warranty of any kind. MA-MA Type does not warrant that the operation of the Font Software will be uninterrupted or error-free or that the Font Software is without defects.

MA-MA Type cannot be held responsible for any direct, consequential or incidental damage resulting in the use or inability to use the Font Software.

Under no circumstances shall MA-MA Type's liability exceed the substitution or the replacement cost of the Font Software.

Termination

MA-MA Type has the right to terminate your license immediately if you fail to comply with any term of this EULA. Upon termination, you must immediately destroy the original and any copies of the Font Software.

General

This EULA constitutes the entire agreement between the parties with respect to the Font Software and supersedes all prior understanding, whether written or oral. Except as provided in this agreement, no term or condition of this agreement may be amended or deemed waived, except by a writing signed by the parties that refers to this agreement. If any term or part of a term of this agreement is invalid, illegal, or unenforceable, the rest of the agreement will remain in effect. This agreement will be governed by and construed in accordance with the laws of France, without regard to conflict of laws principles. Any claim arising out of this agreement, including tort claims, must be resolved in Paris, France.
