A

A large, bold, black uppercase letter 'A' is positioned on the left side of the image. To its right, a white, stylized graphic of a scorpion or insect is superimposed, appearing to be part of the letter's structure. The graphic is highly detailed and ornate, with multiple curved segments and a central body.

About

Ziggy is a strong display typeface inspired by hand-painted letterings found on boat hulls. Odd details and awkwardness features have been preserved to give its letters their distinctive identity.
